**Re: General Welfare SLFRF Project FY2024 Budget Resolution**

Dear Tribal Members,

Today, December 23, 2024, the Fort McDermitt Tribal Council passed the General Welfare SLFRF Project FY 2024 Budget Resolution Number FM24-012-071. After reviewing the remaining funds of \$1,270,182.85 and considering our membership of approximately 700 tribal members, the Council has determined that the amount for distribution per tribal member will be **\$1,814.55**. Thank you for your patience and understanding as we work to administer these funds.
